

Each book in this series presents the alphabet from A to Z using words connected with familiar subjects that are part of young childrens everyday lives. This book looks at the home, and each page presents a new letter of the alphabet alongside a home-related word beginning with that letter. Each photo is also accompanied by a caption providing a fun or interesting home fact. A design feature showing the whole alphabet with the relevant letter highlighted runs throughout the book, allowing the reader to see the whole alphabet at once and get a sense of where each letter sits in relation to the letters around it.
