

Chef Angie Amalfi can't wait to take off from the city for a week to help devise a delicious vegetarian menu for a lovely new B&B in scenic northern California. The not-yet-open-for-business Hill Haven Inn will be the perfect place to take her budding romance with her homicide detective boyfriend Paavo to the next level! But the situation awaiting them turns out to be less than ideal—”with battling investors, rumors of ghosts, cold drafts, a leaky roof . . . and an owner whose idea of haute cuisine might be acceptable for farm animals. And when a furious rainstorm traps everyone inside, it becomes painfully apparent that there's a murderer among them . . . and that the only recipe being concocted in the Hill Haven kitchen is one for disaster. But Angie's determined to solve the case and salvage her romantic getaway . . . or die trying!
