

College student and housekeeper Jane Adler dreams of being a missionary but the road there is littered with corpses. Jane found the most recent body floating in the hot tub at her newest clients house. The dead guy was a notorious flirt and carouser. Had his romantic shenanigans gotten him killed? Cleaning up a murder was bad enough, but Janes love life was a mess too. Usually, absence makes the heart grow fonder, but her boyfriend Isaacs overseas teaching job seems to be driving them apart. On top of it all, shes been hand selected by her church as a candidate for one of their few fully funded missionary support positions. But can she solve a murder, keep her boyfriend, and follow her dream all at the same time?
