

Thanks to the proliferation of all things Green, more and more Fortune 500 companies are producing Corporate Responsibility Reports. Much like their counterparts The Annual Report, Corporate Responsibility Reports are in higher demand now that there is a greater than ever emphasis on saving the environment. Now you can get into the game by finding out what goes into these reports from writers/graphic designers and seeing how they look firsthand. See examples from Nike, Target, and McDonalds to name a few. This is exclusive to Kindle Readers from a previously published report.
