

This is an accessible and lively introduction to the frameworks of people management strategies, and the basic operational areas and practices of HRM. The fifth edition continues to explore ideas and themes in an engaging style with reference to real-life examples, and student-friendly features and activities. This edition includes new coverage of well-being, equality and diversity, and offers a greater international perspective throughout. It is aimed at students taking an HRM option on a Business Degree, or those studying for an HND, Foundation Degree or CIPD qualification.
