

Have you ever wanted to be able to read and better understand the Bible on your own? This workbook is part of a discipleship series that has been developed so people can read and understand the Bible. The John study will develop the skills on how to utilize the Bible study tools found in the ESV Study Bible. This study will also teach a proper biblical hermeneutic (i.e. the method or principles of interpretation). By developing the skills on how to use a study Bible, along with the proper method of interpreting the Bible, the student of the Bible will be able to properly interpret and understand the Truth of the Scriptures. As the student of the Bible interacts with the Truth of the Bible, the Holy Spirit will transform the individual into the image of Jesus Christ.
