Not illustrated. 1863 edition. Excerpt: ... to the acre. A more uninteresting country than this portion of the State of Mississippi I have never witnessed. There was some variety of scenery about Holly Springs, where undulating ground covered with wood diversified the aspect of the flat, but since that we have been travelling through mile after mile of insignificantly grown timber and swamps. On approaching Memphis the line ascends towards the bluff of the Mississippi, and farms of a better appearance come in sight on the side of the rail; but after all I do not envy the fate of the man who, surrounded by slaves and shut out from the world, has to pass his life in this dismal region, be the crops never so good. At a station where a stone pillar marks the limit between the sovereign State of Mississippi and that of Tennessee, there was a house two stories high, from the windows of which a number of negro girls and young men were staring on the passengers. Some of them smiled, laughed, and chatted, but the majority of them looked gloomy and sad enough. They were packed as close as they could, and I observed that at the door a very ruffianly looking fellow in a straw hat, long straight hair, flannel shirt, and slippers, was standing with his legs across and a heavy whip in his hand. One of the passengers walked Over and chatted to him. They looked in and up at the negroes and laughed, and when the man came near the carriage in which I sat, a friend called out, Whose are they, Sam? Hes a dealer at Jackson, Mr. Smith. Theyre as prime a lot of fine Virginny niggers as Ive seen this long time, and he wants to realise, for the news looks so bad. It was 1.40 p.m. when the train arrived at Memphis. I was speedily on my way to the Gayoso House, so called after an old...
