

Remington, Thomas F., Politics in Russia, 2nd Edition*// The new edition of Politics in Russia has been extensively rewritten to reflect the enormous changes that have taken place in Russia since the first edition. A thoroughly updated analysis of contemporary Russian political institutions and processes in the context of Russian society in the postcommunist era, this book uniquely emphasizes the relationship ordinary citizens have with the political system. Presenting Russias political system as a dynamic, multidimensional whole, the book underscores the fact that Russias system is still in flux and that the direction of change is still open-ended. For those interested in Russian Politics.
