

>>>FREE ON KINDLE UNLIMITED Rebeccas Choice: Amish Romance Did Rebecca make the right decision to choose her Amish church over her fiance, Joshua? Should she have gone with him when he left to follow an evangelical calling? Her emotional upheaval is exacerbated a thousand-fold by witnessing the tragic death of her younger brother, Jacob, whom she had felt responsible for protecting. The barn fire that killed him was deliberately set—can she forgive, from her heart, whoever started it to stay true to her Amish values? Into her emotional entanglement, walks Daniel Troyer, a classmate turned carpenter and volunteer fire fighter, who pulls the young schoolteacher away from the blaze. In an effort to stand up for his errant father, Daniel has seemed to defend breaking the vows of baptism, and he and Rebecca have hit an impasse due to opposing views. He sees flaws in their church but wants to make a difference from the inside out. And he continues to be drawn to Rebecca, a maidel he considered off limits when she was engaged. Joshua has left physically, but he still holds fast in Rebecca’s heart. Can Rebecca break free of her ties to Joshua to fulfill her dream of building her own Amish home and family? As if coping with her brother’s death isn’t enough, she is mercilessly confronted with more heartbreak and perplexity. How should she feel about Daniel, who proves to be a far cry from the man she pictured, becoming her most valued friend? Note: This is a 36,000 word stand-alone novella featuring sweet and clean Amish romance with happy endings. No cliff hanger!
