

An enormous, enigmatic object appears suddenly in a limestone quarry in the flat lands of the midwest. A reporter, a security guard, and government operatives all seek the answer to what the object is, and why it has appeared. What they discover is not what any of them expect. This unpredictable thriller takes readers on a journey to the edges of quantum physics and also the inner reaches of the psyche. Each key character must come to terms with his or her past, as well as their common destiny.
