

An unprecedented collection of outrageous tales, scientifically designed not to just tickle your funny bone, but to snap it right in half! You'll meet Jungha Lee, a boy with blackened teeth and a heart to match! Then there's the self-proclaimed Doctor of Dating, whose advice should be ignored at all costs! There's Serang, a teenager whose plan to play matchmaker for her lonely boss takes a bite out of her backside! And were not even going to mention the manic manhwa artist, the sadistic dentist, or the cross-dresser! For ages thirteen and older.
