

Mac. iPhone. iPad. Apple TV? While Apple TV may not get the same press as other Apple products, that is about to change. This guide is an introduction to the newest Apple TV (released in October 2015). If you are just "thinking" about making the switch from cable to streaming TV, then this book will show you how; if you've already made the switch, but you want to get the most out of it, then it will cover that as well. There's something for everyone here, so read on!
