

Un posto chiamato Afasia, oltre la frontiera di Stroke e un romanzo scritto da quell'implacabile regista che è la vita. Una vita che ad Ascanio ha dato ma soprattutto tolto molto. Una vita che prima lo ha strappato alla sua gioventù con gli orrori della guerra e poi gli ha negato la gioia di diventare padre, ma che in compenso gli ha dato una moglie amorevole, fratelli e sorelle uniti, un buon lavoro e dei meravigliosi nipoti con i quali riesce a colmare il vuoto di quei figli tanto desiderati ma mai potuti avere. Una vita che ad un tratto lo ha lasciato solo. La peggior solitudine che si possa immaginare solo in mezzo a tanti. AFASIA. Scritto così e solo una parola, ma dietro nasconde un mondo oscuro che nessuno può né immaginare né capire. Ascanio un tratto si ritrova catapultato oltre la frontiera di Stroke, in un posto sconosciuto dove nessuno riesce a capire cosa pensa e prova.

JGA Special Issue 2013: Progress in the World of Gastroenterology 9th Annual Meeting of the JGA, Tokyo, January 2013 (Special Topic Issue: Digestion 2013), Creative Connection, The Advertising Copywriting and Idea Visualization, Understanding Basel III: March, April, May 2013, Sex, health and your handwriting, Energy-related research and development: Prepared at the request of Frank E.
