

This book presents a Society of Sarcophagi where things are how they don't suppose to be: dissocial, inhospitable, inconvertible, unclubbable, cynical... It is a political, philosophical and economical anti-essay. In this Underworld Society the regulations have been uninstalled and people died of a social disease... New social irregularities were implemented in the country in order to set up a better world disorder. The leaders did the best for the worst! Paraphrasing Jean-Jacques Rousseau (1712-1778), we say that MAN was born in chains... and in consequence he always has the right to revolt. He may agree to disagree... Referring to the Unsocial Contract, it is the agreement among individuals about their obligations and anti-rights in order to forming the underworld society in which they live.
